When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free, trial box, at our store, and be convinced. Large, nickel capped glass jars, 25 cents. All dealers.

CHOATEVILLE.

A series of gospel meetings are in progress at the Mt. Zion Christian Church, conducted by Rev. R. J. Bamber, of Versailles. Services begin at 7:30 p. m. Bring a friend and an open heart.

North and South Benson creeks were awful high last Saturday evening. Immense damage has been done to crops and turnpikes.

POLSGROVE.

Polsgrove is on the boom. The merchants are doing active business, and the churches are progressing.

People in this community are about through cutting tobacco, although the tobacco crop is damaging, both on the scaffold and in the barn. The leaves are rotting and dropping off the stalk.

Corn cutting has been in progress for some time.

During the last rain Flat Creek was higher than it has been for a long while.

The corn crop has been damaged a great deal in the creek bottoms by the high water.

Farmers are selling the damaged corn at 72 cents and \$1 per barrel.

On Monday the Second Regiment Band, of this city, were sent for to furnish the music at the funeral of a prominent Knight of Pythias at Cynthiana. On Thursday they went to Lawrenceburg to furnish the music for the Republican Convention of the Eighth District.

This band makes fine music and we are glad that they are in demand.

VICTIM OF "REFORMED" FOOT BALL.

A sixteen-year-old son of Mr. Jos. W. Hedden, State Inspector of Printing, was very badly injured in a game of foot ball, at Mt. Sterling, on Wednesday. In making a "tackle" he was thrown violently to the ground and was rendered unconscious. Concussion of the brain developed and the lad is in a very precarious condition.

And this under "reformed" rules.

Dr. Lacy's Condition Powders, are just what a horse needs when in bad condition. Tonic, blood purifier and vermifuge. They are not food for medicine and the best in use to put a horse in prime condition. Price 3 cents per package.
